I am Kaniu Kinimaka Stocksdale campaigning for the position County Councilmember District 5 (Puna Makai).

There comes a time when one must step up, be involved and make positive changes. When that happens, one takes responsibility for situations and circumstances to help ensure a better quality of life for family, friends, neighbors and in the best interests of Hawaii County.

I am a Small Business Entrepreneur, married with three children and a resident of Hawaiian Paradise Park for the past thirty three years in County Council District 5.

I will bring together productive working relationships with fellow County Council Members, the County Administration and the County Civil Service Departments. I have the leadership abilities to ensure collaborative efforts to assure mutual satisfaction for all parties concerned and having Puna Makai receive its fair share of paid taxes.

I pledge to work actively with all citizens in my District and to bring to Puna'Makai its fair share of paid taxes, to improve and increase the safety of our roads; and to provide meaningful tax relief to our farmers. I seek to work towards improving County Services via Parks and Recreation facilities and expand the county efforts to eradicate the Coqui. I pledge to lend more support to agencies that provide youth programs not only to Puna Makai but also through out the Hawaii Island. I support a Senior Citizen Center for our Kupuna in Puna Makai.

A vote for Stocksdale is a vote for Puna Maki and your future. Mahalo nui loa kakou.
